PROFESSIONAL SUMMARY

I am passionate about management, technology, and working with data, combining my interests to drive impactful solutions. With experience in managing teams and projects from my previous roles, I bring strong organizational and leadership skills. I thrive in leveraging technology and data to optimize processes, solve problems, and deliver results.

EXPERIENCE

GENERAL MANAGER

Scouts Movement. | Dec 2022 - Oct 2024

As General Manager at Tzofim, I led 1,300 scouts through activities, demonstrating leadership and communication skills. I planned large-scale events, showcasing project management and organizational abilities, while effectively managing the budget to highlight financial responsibility. This role provided valuable expertise in youth education and development, equipping me with skills for training and mentorship.

STAFF SERGEANT.

IDF. | Mar 2020 - Nov 2022

I served as a Staff Sergeant in the Israeli Paratroopers Brigade, where I gained extensive experience in infantry combat, leadership, and teamwork. In this role, I was responsible for leading a squad of soldiers through various training exercises and missions, further honing my ability to guide and manage teams in high-pressure environments.

EDUCATION

MATRICULATION CERTIFICATE

Hadasim High-School. | Sep 2016 - Sep 2019

ADVANCED COURSE

Burlington English. | Jan 2023 - Jul 2023

DATA ANALYST EXPERT

John Bryce. | Nov 2024 - Present

I am currently completing a data analysis course, set to graduate in March, where I am building skills in SQL (including database structures, indexes, and execution plans), Python (Pandas, Matplotlib), Excel, and Power BI. The course focuses on data manipulation, visualization, and reporting.
